- Failure to reply within the set or extended period for reply will, by statute, cause the application to become ABANDONED (35 U.S.C. § 133). Any reply received by the Office later than three months after the mailing date of this communication, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

DETAILED ACTION

Drawings

1. The drawings were received on 11/14/2005. These drawings are acceptable.

Claim Rejections - 35 USC § 102

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 1-5 are rejected under 35 U.S.C. 102(b) as being anticipated by Reneau (U.S. 4,408,759). Please refer to paragraph 3 of the previous office action. Note the open position in figure 7.

Response to Arguments

4. Applicant's arguments filed 11/14/2005 have been fully considered but they are not persuasive. The structure of the 'rear support frame' allows it to be free-standing. As mentioned above, Examiner has taken figure 1 to illustrate the 'closed position' and figure 7 to illustrate 'the open position'. Applicant's claims remain broad, and although Applicant's device differs greatly from the cited art in terms of inventive concept, the application is examined on the basis of the claims. As such, Reneau meets the claimed structural limitations.

Conclusion

Art Unit: 3764

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
